LEAD WARNING STATEMENT: Every purchaser of any interest in residential real property on which a residential dwelling was built prior to 1978 is notified that such property may present exposure to lead from lead-based paint that may place young children at risk of developing lead poisoning. Lead poisoning in young children may produce permanent neurological damage, including learning disabilities, reduced intelligence quotient, behavioral problems, and impaired memory. Lead poisoning also poses a particular risk to pregnant women. The seller of any interest in residential real property is required to provide the buyer with any information on lead-based paint hazards from risk assessments or inspections in the seller’s possession and notify the buyer of any known lead-based paint hazards. A risk assessment or inspection for possible lead-based paint hazards is recommended prior to purchase.

DISCLOSURE REQUIREMENTS FOR SELLERS. (Based upon 40 CFR Chapter 1, Part 745, Subpart F, §§745.103, 745.107, 745.110, 745.113 & 745.115; and 24 CFR subtitle A, Part 35, Subpart H, §§35.86, 35.88, 35.90, 35.92 & 35.94, which all are collectively referred to in this Addendum as Federal LBP Law.)

(1) Provide LBP Pamphlet to Buyer. The Seller shall provide the Buyer with an EPA-approved lead information pamphlet. Such pamphlets include the EPA document entitled Protect Your Family From Lead In Your Home (EPA #747-K-94-001) or an equivalent pamphlet that has been approved for use in this state by EPA.

(2) Disclosure of Known LBP to Buyer. The Seller shall disclose to the Buyer the presence of any known lead-based paint and/or lead-based paint hazards in the target housing being sold. The Seller shall also disclose any additional information available concerning the known lead-based paint and/or lead-based paint hazards, such as the basis for the determination that lead-based paint and/or lead-based paint hazards exist, the location of lead-based paint and/or lead-based paint hazards, and the condition of painted surfaces (chipping, cracked, peeling).

(3) Disclosure of Known LBP & LBP Records to Agent. The Seller shall disclose to each agent the presence of any known lead-based paint and/or lead-based paint hazards in the target housing being sold and the existence of any available records or reports pertaining to lead-based paint and/or lead-based paint hazards. The Seller shall also disclose any additional information available concerning the known lead-based paint and/or lead-based paint hazards, such as the basis for the determination that lead-based paint and/or lead-based paint hazards exist, the location of lead-based paint and/or lead-based paint hazards, and the condition of the painted surfaces (chipping, cracked, peeling).

(4) Provision of Available LBP Records & Reports to Buyer. The Seller shall provide the Buyer with any records or reports available (see line 88) to the Seller pertaining to lead-based paint and/or lead-based paint hazards in the target housing being sold. This requirement includes records or reports regarding common areas. This requirement also includes records or reports regarding other residential dwellings in multifamily target housing, provided that such information is part of a risk assessment and/or inspection or a reduction of lead-based paint and/or lead-based paint hazards in the target housing as a whole.

(b) Disclosure Prior to Acceptance of Offer. If any of the disclosure activities identified in lines 30-51 occurs after the Buyer has provided an offer to purchase the housing, the Seller shall complete the required disclosure activities prior to accepting the Buyer’s offer and allow the Buyer an opportunity to review the information and possibly amend the offer.

Note: See Seller Obligations at lines 27-54 and 55-112.
CERTIFICATION AND ACKNOWLEDGMENT OF LBP DISCLOSURE. (a) Seller requirements. Each contract to sell target housing shall include an attachment or addendum containing the following elements, in the language of the contract (e.g., English, Spanish):

1. Lead Warning Statement. A Lead Warning Statement consisting of the following language:

   Every purchaser of any interest in residential real property on which a residential dwelling was built prior to 1978 is notified that such property may present exposure to lead from lead-based paint that may pose a particular risk to women and children. The seller of any interest in residential real property is required to provide the buyer with any information on lead-based paint hazards from risk assessments or inspections in the seller's possession and notify the buyer of any known lead-based paint hazards. A risk assessment or inspection for possible lead-based paint hazards is recommended prior to purchase.

2. Disclosure of Known LBP & LBP Information Re: the Property. A statement by the seller disclosing the presence of known lead-based paint and/or lead-based paint hazards in the target housing being sold or indicating no knowledge of the presence of lead-based paint and/or lead-based paint hazards. The seller shall also provide any additional information available concerning the known lead-based paint and/or lead-based paint hazards, such as the basis for the determination that lead-based paint and/or lead-based paint hazards exist, the location of the lead-based paint and/or lead-based paint hazards, and the condition of the painted surfaces (chipping, cracked, peeling, dust, etc.).

3. List of Available LBP Records & Reports Provided to Buyer. A list of any records or reports available to the seller pertaining to lead-based paint and/or lead-based paint hazards in the housing that have been provided to the buyer. If no such records or reports are available, the seller shall so indicate.

4. Buyer Acknowledgment of Receipt of Disclosures, Records & Pamphlet. A statement by the buyer affirming receipt of the information set out in lines 67 - 75 and a lead hazard information pamphlet approved by EPA.

5. Buyer Acknowledgment of Receipt of Opportunity for LBP Inspection. A statement by the buyer that he or she has either: (i) received the opportunity to conduct the risk assessment or inspection required per lines 123 - 127; or (ii) waived the opportunity.

6. Agent Certification. When one or more real estate agents are involved in the transaction to sell target housing on behalf of the seller, a statement from each agent that: (i) the agent has informed the seller of the seller's obligations under Federal LBP Law; and (ii) the agent is aware of his or her duty to ensure compliance with Federal LBP Law. Agents ensure compliance by informing seller of his or her obligations and by making sure that the seller or the agent personally completes the required activities. Buyer's agents paid solely by buyer are exempt.

7. Signatures. The signatures of all sellers and buyers, and all agents subject to Federal LBP Law (see lines 80 - 84) certifying to the accuracy of their statements to the best of their knowledge, along with the dates of the signatures.

DEFINITIONS:

- **Available** means the possession of or reasonably obtainable by the seller at the time of the disclosure.
- **Abatement** means the permanent elimination of lead-based paint and/or lead-based paint hazards by methods such as removing, replacing, encapsulating, containing, sealing or enclosing lead-based paint with special materials, in conformance with any applicable legal requirements.
- **Buyer** means one or more individuals or entities who enter into a contract to purchase an interest in target housing (referred to in the singular whether one or more).
- **Inspection** means: (1) a surface-by-surface investigation to determine the presence of lead-based paint, and (2) the provision of a report explaining the results of the investigation.
- **Lead-based paint** means paint or other surface coatings that contain lead equal to or in excess of 1.0 milligram per square centimeter or 0.5 percent by weight.
- **Lead-based paint hazard** means any condition that causes exposure to lead from lead-contaminated dust, lead-contaminated soil, or lead-contaminated paint that is deteriorated or present in accessible surfaces, friction surfaces, or impact surfaces that would result in adverse human health effects as established by the appropriate Federal agency.
- **Reduction** means designed to reduce or eliminate human exposure to lead-based paint hazards through interim controls, abatement, etc.
- **Risk assessment** means an on-site investigation to determine and report the presence of lead-based paint, and to evaluate and report the extent, nature, severity, and location of lead-based paint hazards in residential dwellings, including: (1) information gathering regarding the age and history of the housing and occupancy by children under 6; (2) visual inspection; (3) limited wipe sampling or other environmental sampling techniques; (4) other activity as may be appropriate; and (5) provision of a report explaining the results of the investigation.
- **Seller** means one or more individuals or entities who transfer, in return for consideration, (1) legal title to target housing, in whole or in part; (2) shares in a cooperatively owned project; or (3) an interest in a leasehold (referred to in the singular whether one or more).
- **Target housing** means any housing constructed prior to 1978, except housing for the elderly or persons with disabilities (unless any child who is less than 6 years of age resides or is expected to reside in such housing) or any 0-bedroom dwelling.
AGENT(S) ACKNOWLEDGMENT AND CERTIFICATION.

(1) ACKNOWLEDGMENT: All agent(s) in this transaction subject to Federal LBP Law (see lines 80 - 84) hereby acknowledge that: (1) the Seller was informed of his or her obligations under the Federal LBP Law (see lines 27 - 54 and 55 - 112); and (2) they are aware of their duty to ensure compliance with the requirements of Federal LBP Law.

(2) CERTIFICATION: The undersigned agents have reviewed the information above and certify, to the best of their knowledge, that the information provided by them is true and accurate.

BUYER'S OPPORTUNITY TO CONDUCT AN EVALUATION (LBP Inspection Contingency).

(a) Before a Buyer is obligated under any contract to purchase target housing, the Seller shall permit the Buyer a 10-day period (unless the parties mutually agree, in writing, upon a different period of time) to conduct a risk assessment or inspection for the presence of lead-based paint and/or lead-based paint hazards. (b) Notwithstanding lines 123 - 126, a Buyer may waive the opportunity to conduct the risk assessment or inspection by so indicating in writing.

BUYER INSPECTION CONTINGENCY, ACKNOWLEDGMENT AND CERTIFICATION.

(1) LEAD-BASED PAINT INSPECTION CONTINGENCY: [Buyer to check one box at lines 131, 147 or 148. If no box is checked, Buyer is deemed to have elected a 10-day contingency per lines 131-146.]

☐ LEAD-BASED PAINT INSPECTION CONTINGENCY: This Offer is contingent upon a federal or state certified lead inspector or lead risk assessor conducting an inspection or risk assessment of the Property, at Buyer's cost, which discloses no lead-based paint and/or lead-based paint hazards (see lines 96 - 100)(collectively referred to as LBP). This contingency shall be deemed satisfied, and Buyer will have elected to take the Property "as is" with respect to LBP, unless Buyer, within _______ days of acceptance, delivers to Seller a copy of the inspector's or risk assessor's written report and a written notice listing the LBP identified in the report to which the Buyer objects. Buyer agrees to concurrently deliver a copy of the report and notice to the listing broker, if any.

RIGHT TO CURE: Seller (shall)(shall not) have a right to cure [if neither struck, Seller shall have the right to cure]. If Seller has the right to cure, Seller may satisfy this contingency by: (1) delivering, within 10 days of receipt of Buyer's notice, written notice of Seller's election to abate the LBP identified by the Buyer; and (2) providing Buyer, no later than 3 days prior to closing, with certification from a certified lead supervisor or project designer, or other certified lead contractor that the identified LBP has been abated. This contingency shall be null and void if Buyer makes timely delivery of the above notice and report and: (1) Seller does not have a right to cure or (2) Seller has a right to cure but: a) Seller delivers notice that Seller will not cure or b) Seller does not timely deliver the notice of election to cure. "Abate" shall mean to permanently eliminate the identified LBP by methods such as removing, replacing, encapsulating, containing, sealing or enclosing the identified LBP, in conformance with the requirements of all applicable law.

☐ Buyer elects the LBP contingency Buyer has attached to this Addendum S.

☐ Buyer waives the opportunity for a LBP inspection or assessment.

(2) BUYER ACKNOWLEDGMENT: Buyer hereby acknowledges and certifies that Buyer has: (a) received the Seller's above-listed disclosures, reports and records concerning any known LBP in or on the Property (see lines 12 - 22); (b) received a lead hazard information pamphlet approved by the EPA; and (c) received the opportunity to conduct a LBP risk assessment or inspection of the Property or has waived the opportunity (see lines 131 - 148 above).

(3) BUYER CERTIFICATION: The undersigned Buyer has reviewed the information above and certifies, to the best of their knowledge, that the information provided by them is true and accurate.
